Creating teachers for Tomorrow

Every village should have school and every school needs trained teacher. To fulfil the growing demand of the trained teachers for the secondary schools in remote areas of Maharashtra we are providing teacher education. To make available good teachers to our own schools is our secondary motive. For this purpose, our institute started this teacher training college in 2006. To achieve excellence in teacher education through empowering student teachers by knowledge competence and creativity for sustainable development. According to this vision to provide excellent practices in teacher education to the student teachers is the priority. To fulfill this priority, we organize the various activities for the enrichment of the student teachers. Internship program is one of the best distinct activities which provide all types of basics related to school and administration. To run the program effectively Institution has done MoU with nearby schools. These schools make available classes as per convenience of trainee and school. The feedback system helps trainee to develop teaching skills. Apart from internship and theoretical understanding we do social development with the help of different programs like social understanding, Social Service, Social Awareness Program, cultural program, and Social Responsibility related activities.

We have some highlighted distinctive things

1. SKNCOE has distinctive Place.
2. Clean and Green Campus
3. Well-furnished infrastructure.
